Sir:

Supplemental to the Information Disclosure Statement filed on September 25, 2001,  
Applicants wish to bring to the attention of the Patent Examiner the references listed on the  
enclosed Form PTO-1449 and attached thereto. These references were cited in the Great Britain  
Search Report, copy enclosed. U.S. Patent No. 5,216,568 is the U.S. equivalent of Great Britain  
No. 2229862 and U.S. Patent No. 6,147,844 was previously cited in the earlier Information  
Disclosure Statement. Since the instant Supplemental Information Disclosure Statement (IDS) is  
being filed before a first Office Action on the merits, no official fee is required in connection with  
the same. It is respectfully requested that the foregoing IDS be incorporated into the official file  
of the present patent application.

Respectfully submitted,
